Leicester | 07700 900461 | jordan.pryce@example.com

Profile

Customer operations lead with eight years in busy service teams. I like fixing the process behind a complaint, not just the complaint. Calm on the phones, good with spreadsheets, and happiest coaching a new starter through their first month.

Experience

Customer Operations Team Leader, Brightwell Home Insurance, Leicester March 2022 to now

- Lead a team of 11 handling around 900 calls and emails a week.
- Cut average email reply time from 3 days to 1 by splitting the inbox by topic and adding saved replies.
- Rewrote the new starter guide; new advisers now take calls alone after 2 weeks instead of 4.
- Run the weekly complaints review with the claims team, which brought repeat complaints down by 18%.

Senior Customer Adviser, Brightwell Home Insurance, Leicester June 2019 to February 2022

- Handled escalated calls and trained 6 new advisers.
- Built a shared tracker in Excel for callbacks, adopted by the whole floor.

Customer Adviser, Harlow and Finch Energy, Nottingham September 2016 to May 2019

- Answered billing and meter queries; top quarter for customer satisfaction three years running.
- Volunteered as fire warden and first aider.

Education

BA Business and Management, De Montfort University 2013 to 2016

Upper second class. Dissertation on why customers leave energy suppliers.

A levels, Gateway College, Leicester 2011 to 2013

Business (B), English Language (B), Psychology (C).

Skills

- Microsoft Excel (pivot tables, lookups), Zendesk, Salesforce Service Cloud.
- Coaching and one to ones, rotas, quality checks.
- Full UK driving licence.

Interests

Five-a-side football on Thursdays, cooking for too many people, and a slowly improving guitar.
